

**U.S. Embassy Bahrain**  
**Demonstration Notice 111 – October 24, 2012**

Spontaneous demonstrations take place in Bahrain from time to time in response to world events or local developments. United States citizens should keep current with media coverage of local events and be aware of their surroundings at all times. If you encounter a large public gathering or demonstration, depart the vicinity immediately.

**On Thursday October 25 at 1600 hrs (4:00 pm), in Sitra (Kharijiyah, Mahazah, Marquban, Qurayyah, Safaleh, and Wadyan) an anti-U.S. unauthorized demonstration has been planned. We strongly advise you to avoid this area. (Yellow circle)**

While we are aware of the above, it is important to note that spontaneous demonstrations have also been triggered by regional events in the past; however, there have been no direct attacks on U.S. citizens in Bahrain. It is recommended you continually exercise the appropriate level of security awareness in regards to anti-U.S. activity or events. Spontaneous and at times violent anti-government demonstrations occur in some neighborhoods, particularly at night and on weekends. These demonstrations have included blockades of major highways with burning debris and establishment of unofficial checkpoints. Participants have thrown rocks and Molotov cocktails and used various other homemade weapons, including isolated use of improvised explosive devices. The Ministry of Interior maintains official checkpoints in some areas and routinely uses tear gas and stun grenades along with birdshot and other crowd control measures against demonstrators. Violent clashes between security forces and demonstrators can make travel in and around Bahrain dangerous without advance warning. Please see below for a map. Areas shaded in red are off-limits to U.S. Citizen Embassy employees and their family members. Areas shaded in blue are off-limits to U.S. Citizen Embassy employees and their family members 20:00 – 04:00.

We remind U.S. citizens that even demonstrations intended to be peaceful can turn confrontational and possibly escalate into violence. U.S. citizens are therefore urged to avoid the areas of demonstrations if possible, and to exercise caution if within the vicinity of any demonstrations. As we enter into this Eid holiday, we stress you exercise additional caution.
